TO WHOM IT MAY CONCERN

RE: RYAN HARRIS

Dear Sir or Madam,

This letter is to note the success of Ryan Harris as it concerns International Performance this past Summer 2009.

Ryan was selected to tour on a professional basis with The Glory Gospel Singers in the North Seas of Germany for an estimated six weeks between July and August of 2009. He performed in such places as Westerland auf Sylt, Zingst, Stralsund, Wyk Auf Fohr, Ob Kuhlungsborn, and many more locations during this time.

As a member of his twin duet sensation The Brothers Harris, he was widely and successfully received by the various audiences as a special feature during the concerts.

His behavior toward the professional approach was a successful challenge and we are sure that the gain of cultural exchange along with the many aspects of entertainment multi-tasking within a day to day strong routine was met.

Should you have any questions or need further information please do not hesitate to contact our offices.

Thank you

Mrs. Phyliss Joubert, Gen'l Mgr.
